**Weather Rules & Rain Check Policy**

In the event of inclement weather, the flagman will halt the races. If, in the opinion of the track officials, the inclement weather is sufficient to cancel the remainder of the contests, racing will not be resumed.

If the halfway point in the program has been completed (heat races and semi-features), rain checks will not be honored. If the halfway point in the program has not been completed, rain checks will be honored at forthcoming races.

We apologize for any inconvenience, but there are no cash refunds.

Rained-out features will be ran the following week, before regularly scheduled heat races.
